Turn a five-day stress-filled trip into a two-day hassle-free one.

**With Griffing Flying Service, business trips are more streamlined.** You save time with service that's airplane door to car door. Drive right out to your jet, walk on, and we'll take care of the rest. There are no security lines, no full parking garages, no two-hour ahead-of-time waits and no missed connections. In fact, there are no connections at all.

We don't just get you to the airport. We get you to your destination.

Our concierge services allow you to enjoy the journey while we take care of the details both in-flight and on the ground:

- Comfortable, fully reclining plush leather seating
- Worktables onboard
- Plenty of legroom
- Gourmet catering
- Ground transportation services to get you to your meeting, hotel or other destination

**We personalize the trip to your needs.** Whatever your travel requirements and end goals, just ask.

**Worry free travel.**

With over 80 years of experience, our company has accumulated more than 100,000 flight hours of safe operation. Private jet charters are subject to rigorous safety standards and are operated by experienced pilots and crew that abide by all FAA training and regulations.

**Travel in luxury and comfort with concierge services that are tailored to your needs.**
